

RIVERWOOD COMMUNITY SCHOOL
EDUCATING THE WHOLE CHILD

Acknowledgement of Risk and Assumption of Personal Responsibility:

Riverwood Community School staff members make every effort to conduct safe programs, to orient and support children, as well as to inform families of inherent risks. Some activities may involve risks that children do not routinely encounter at home. Risk management is an essential element of all the activities offered. While we anticipate that these efforts will ensure the wellbeing of each child, we are also aware that it is neither possible to foresee every contingency nor to eliminate all risk.

I understand that program activities may include, but are not limited to: hiking on uneven terrain, playing active games, participating in activities near water and in water. I acknowledge that such risks exist, and I hereby agree on behalf of my child to assume such risks.

Furthermore, on behalf of my child, I hereby release and forever discharge, and agree not to sue, and agree to indemnify and hold harmless Riverwood Community School, and its officers, directors, employees, and volunteers and each of them, any landowner, property owner, or title holder, from and against any and all liabilities and obligations of every kind and description, which I shall or may have against them or any one or more of them arising out of, or in connection with, my child's participation in the Riverwood Community School program and activities, including, but not limited to, for any personal injury that my child may suffer while participating in the Riverwood Community School program and activities, excepting in the case of gross negligence.

I understand and agree on behalf of my child that my child shares the responsibility for safety during Riverwood Community School programs and activities, and I personally assume on behalf of my child that responsibility. I understand and certify that my child's participation in the Riverwood Community School program and its activities is completely voluntary, and that I have become familiar with the program activities in which my child may participate, as described in website and other social media, registration/information documents, parent handbook, and marketing and advertising materials.
